

September 2021 Rehearsal Safety Protocols Important Information

Please read to the end

Welcome and welcome back, singers.

We are excited to be returning to hybrid rehearsals (in-person and on Zoom) starting September 15th. We are very much looking forward to singing together again. Location is the Estonian Church, 6520 Oak Street at West 49th Avenue.

The health, safety and well-being of our singers and your families continue to be a top priority.

All in-person singers must fully vaccinated, as required by BC Public Health orders. Singers must provide one piece of proof of vaccination:

- COVID Vaccination Card
- BC Health Gateway Immunization Record
- BC Vaccination app (available September 13th)

You may email a digital copy to highspiritspresident@gmail.com prior to the first rehearsal (we won't keep your information), or you can show us at the door at the first rehearsal.

In person singers must:

- Wear a mask, unless you are not able to do so
- Stay home if you are at all unwell. Here's the [BC COVID Self-Assessment Tool](#).

Here are a couple of links for singer's masks:

- a) [Amazon](#)
- b) [Costco](#)

For zoom singers, we will place microphones among the in-person singers, to help you hear your sections. **Section rehearsals** will also be hybrid, at Ieva's house and on zoom.

High Spirits Choir is excited to welcome singers to our hybrid rehearsals. Our number one priority is the health and safety of our members, and that has been at the forefront of all our decision-making. Please follow the protocols listed above when you come to the rehearsal hall. We look forward to raising our voices, staying connected, and thriving in our community.

Looking forward to seeing you,

High Spirits Choir Board
